

SENATOR CROSBY: Senator Wehrbein.

SENATOR WEHRBEIN: Yes, Senator Crosby, the committee amendments become the main bill. I don't know if there's any more discussion on the main bill or not, in this case LB 389, so I will not speak to it unless there's some more questions.

SENATOR CROSBY: Thank you. Any further discussion on LB 389? Seeing none, Senator Wehrbein. He waives closing. The question is, shall LB 389 advance to E & R Initial? All in favor vote aye, opposed no. Record, please.

CLERK: 27 ayes, 0 nays, Madam President, on the advancement of LB 389.

SENATOR CROSBY: The bill advances. LB 390.

CLERK: Legislative Bill 390, a bill introduced by the Speaker at the request of the Governor. (Read title.) Bill was introduced on January 12, referred to the Appropriations Committee, advanced to General File. There are committee amendments pending by the Appropriations Committee, Madam President. (Standing Committee amendment AM1758 is found on pages 1883-85 of the Legislative Journal.)

SENATOR CROSBY: Thank you. Senator Wehrbein on the committee amendment.

SENATOR WEHRBEIN: Yes, Senator Crosby, this is the committee amendments, if you look at your committee amendment sheet. The deficit, as we have it, it starts on 177 of your blue book, the mini blue book. It's 177, 178, 179, 180, 181, 182, 83, 84 and 85, and finishes on 186, the last section of the book. These are the details in each agency that it covers and why. If there's any explanation that you'd like to have of any one of those, I'd be happy to try to answer them. I will point out, I guess since there will be a resolution coming on 178, page 178 in the Attorney General section, there is a 13,217 dollar amount. You can read that. It's based on a court order, Henry versus Rocky, having to do with the Commonwealth lawsuit. Supreme Court ruled that they...those that brought that suit were entitled to some money of 13,217 dollars for payment of attorney fees plus court costs. That would include court costs and it will be made by the Attorney General to the courts and this is what we are doing here. It's in the deficit
